DiSHA 2027
Ambassador Programme

Volunteer orientation

Main conference 30 January 2027, Pune

The ambassador role

Help relevant people discover DiSHA and reach the right chapter team.

Your contribution

Share current approved information.
Introduce interested people with permission.
Record the work you actually do.

Chapter support

A coordinator and orientation.
Approved messages and creatives.
Clear registration and enquiry handoffs.

Two event days with distinct access

29 JANUARY 2027

Leadership Conclave

An executive evening. Access follows the applicable invitation or ticket terms.

30 JANUARY 2027

Main conference in Pune

Explore current programme and participation details on the chapter event page.

Outreach tracks

01 **Corporate**

A relevant HR, L&D or PMO introduction.

02 **Academic**

A permitted announcement through an institution contact.

03 **Community**

An invitation through a group administrator or chapter relationship.

04 **Digital**

Approved posts with a clear caption and working event link.

Onboarding and your first week

01 **Application and discussion**

Agree the track, scope and realistic availability.

02 **Acceptance and official access**

Complete VEP, orientation and the required chapter records.

03 **Appointment and ambassador ID**

Use your assigned ID and contact the named coordinator.

04 **First approved contribution**

Obtain channel permission and review the first result together.

Corporate introductions

01 **Permission**

Ask the contact whether you may introduce them to the chapter.

02 **A clear request**

Explain the organisation, purpose and preferred next step.

03 **An accountable owner**

Route the enquiry to Registration, Sponsorship or the relevant team.

Only authorised chapter teams confirm commercial terms or collect official payments.

Verified ticket attribution

One individual ticket. One attributed ambassador.

Registration verifies the ticket reference, payment status, evidence and attribution decision.

Pending, cancelled, refunded and complimentary tickets contribute zero to the paid total.

Keep main conference tickets separate from other access types.

Information handling

01 **Channel permission**

Ask before using an employer list, institution or professional group.

02 **Contact choice**

Ask before sharing contact details or adding someone to WhatsApp.

03 **Minimum records**

Use restricted handoffs and opaque IDs in the tracker.

04 **Human review**

Check facts in any AI-assisted or translated message before release.

Your weekly update

Sunday by 6 PM IST

Ambassador ID and week ending Sunday
Approved shares and direct conversations
Actual volunteer hours
A restricted evidence reference

The coordinator reviews activity. Registration verifies paid tickets separately.

Contribution records and recognition

The chapter verifies contributions before issuing recognition.

Record actual service hours and useful evidence.

Eligible service may qualify for Giving Back PDUs
under current PMI CCR rules.

No fixed PDU allocation or complimentary access follows automatically.

Common enquiry handoffs

01 **Venue, price or group offer**

Use the current event page or an authorised chapter response.

02 **Awards, masterclasses or add-ons**

The owning team confirms eligibility, availability, fees and access.

03 **A request to stop messages**

Respect the preference and tell the chapter owner where relevant.

If a fact is uncertain, ask the coordinator before sharing it.

First week contacts and next action

Agree one relevant audience and one approved first contribution with your coordinator.
