CHAPTER ARTICLE BRIEF

Republic Day outreach with the Indian Army

Original publication: 2022-01-26 | Social impact

Abstract

The article records a January 2022 visit to Chanderkote and Kupwara, with community support activities undertaken around Republic Day. It describes the distribution of solar lamps, school stationery, learning material and refreshments, alongside visits to Army locations and a local school. The account acknowledges the donors and supporters who helped make these activities possible.

Key highlights

- The outreach included visits to Chanderkote and Kupwara in January 2022.
- Support for communities included solar lamps and stationery for school students.
- Educational material was shared with schools and students.
- The chapter account recognises the contribution of donors and volunteers.

This PDF is a concise article brief prepared from the chapter's published account. The original article remains available through the source link.
